Norwegian Air Certified As 4-Star Airline by Skytrax

Norwegian, the [World's Best Low-Cost Long-Haul Airline](#) and [Value Airline of the Year 2018](#), is proud to announce that it has now achieved a [4-Star Low-Cost Airline Rating by Skytrax](#), the international air transport rating organization.

Norwegian is among one of the top in the world, and the only Scandinavian airline to be awarded with the 4-star honor. The Skytrax Star ranking audit examines more than 800 areas of product and service delivery, across both airport operations and the cabin experience. Norwegian gained a 4-Star Low-Cost Airline Rating for the quality of onboard product, staff service and airport service.

Some of the 4-star rating sub categories awarded to Norwegian include inflight entertainment and seat comfort in both Premium and Economy class on its Boeing 787 Dreamliner, as well as friendliness and quality of service for cabin staff service. A detailed list of all Norwegian's ratings can be found [here](#). High quality service at a low cost is indeed possible – and Norwegian has been rewarded 4-stars for it.

Norwegian's growth continues with full force in 2018. The company took delivery of three Boeing 787-9 Dreamliners in March. This year in total, Norwegian will take delivery of 11 Boeing 787-9 Dreamliners, 12 Boeing 737 MAX+8 and two Boeing 737-800. With an average age of only 3.6 years, Norwegian's fleet is one of the world's "greenest" and most modern.

Norwegian is committed to maintaining the SkyTrax 4-Star rating, working to delivering its passengers a high quality travel experience at an affordable price.

About Norwegian Air

Norwegian Air is the world's fifth largest low-cost airline and carried over 36 million passengers in 2019. The airline operates more than 500 routes to over 150 destinations in Europe, North Africa, Middle East, Thailand, North and South America. Norwegian has a fleet of around 160 aircraft, with an average age of 4.6 years, making it one of the world's youngest and most fuel-efficient fleets.

Norwegian has been named the [Most Fuel-Efficient Airline on Transatlantic Routes](#) by the International Council on Clean Transportation (ICCT) twice. In 2019, the airline [saved 1.7 million metric tons of CO2 emissions](#) compared to the industry average. Norwegian has been voted 'Europe's Best Low-Cost Airline' by passengers for six consecutive years at the SkyTrax World Airline Awards 2013-2019, along with being named the '[World's Best Low-Cost Long-Haul Airline](#)' for the past five consecutive years. Norwegian employs more than 11,000 people worldwide.
