Norwegian's New Service from Boston to Paris Takes Flight

NEW YORK (MAY 3, 2018)– Norwegian, the [World's Best Low-Cost Long-Haul Airline](#) and [Airline of the Year 2017](#), yesterday launched its latest nonstop service from the United States to Paris with its new flight from Boston Logan International Airport to Paris Charles de Gaulle Airport. The airline now operates eight routes from the U.S. to Paris.

“The demand for affordable flights from the United States to Paris continues to grow, and this is our fourth new route to the City of Lights just this year,” said Thomas Ramdahl, Norwegian's Chief Commercial Officer. “Boston is an important city in our global network, and we’re excited to add another European route out of Logan.”

The new four weekly service complements the daily Boston-London flight. All flights are available for sale on Norwegian’s [website](#). Additionally, the website’s [low fare calendar](#) displays the lowest available fares to all of Norwegian’s destinations. Passengers on all of Norwegian’s routes are eligible to join [Norwegian Reward](#), the airline’s frequent flyer program, and can earn CashPoints every time they fly, stay at a hotel or drive a rental car.
